Height (TOR - Lowered Position)	12" - 57"
Frame Size	7" x 2" x 12 ga.
Power Supply	Single & 3-Phase
Standard Color	Dusty Gray - RAL 7037
Force Required to Lift Gate - Nominal	25 lbs

Ask how easy it is to customize!

NorthAmCon's Nor+ Lift is a conveyor straight with lift gate section to provide easy access for personnel and equipment. The gate rests against a support which is mounted to the next conveyor in line or pivot down leg. Springs provide counter-balancing forces to assist in raising and lowering of the gate. This allows the user to rotate from horizontal to vertical in a smooth and controlled motion. The Nor+ Lift enhances operational efficiency while maintaining a safe and accessible conveyor environment.
